DOMINION ORDERS IN COUNCIL.

P.C. No. 1719.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 19TH SEPTEMBER, 1928.

THE Committee of the Privy Council have had before them a report, dated 13th September, 1928, from the Minister of the Interior, submitting that clause 2 of the regulations governing grazing lands in the Provinces of Manitoba, Saskatchewan, Alberta, and in the Peace River Tract, in the Province of British Columbia, established by Order in Council of the 12th April, 1922, and subsequent Orders in Council, provides, in part, as follows: "No person or company shall acquire under lease under these regulations, by original grant or by assignment, more than 25,000 acres."

The Minister reports that Ranches Nos. 14944, 14730, 14731, and 14732, the positions of which are shown on the plan attached hereto, are held under lease under the regulations above mentioned, the area thereof and the names of the lessees being as follows:—

Ranch No. 14944, 11,787 acres, L.K. Ranch and Farming Company, Limited.

Ranch No. 14730, 11,258 acres, Lachlin McKinnon.

Ranch No. 14731, 11,756 acres, Charles H. McKinnon.

Ranch No. 14732, 10,063 acres, Donald J. McKinnon.

Representations have been made to the Department of the Interior that the said Lachlin McKinnon, Charles H. McKinnon, and Donald J. McKinnon, all members of the same family, control the stock of the said L.K. Ranch and Farming Company, Limited, which is made up of eleven shareholders; that all of the live stock grazing on the four ranches above mentioned are owned by the said L.K. Ranch and Farming Company, Limited; that although this is the most economical way of carrying on grazing operations on the four ranches above mentioned, yet it is not strictly in accordance with the terms of each of the individual leases of the four ranches above mentioned, which provide that the lessee shall not graze stock other than his own on the leasehold, and that Lachlin McKinnon, Charles H. McKinnon, Donald J. McKinnon, as individuals, should be allowed to assign their leases of Ranches Nos. 14730, 14731, and 14732, respectively, to the said L. K. Ranch and Farming Company, Limited, in order that one new lease may be issued, covering all of the lands included in the four ranches above mentioned, in the name of the L.K. Ranch and Farming Company, Limited.

The Minister reports further that the matter has been investigated by the Supervisor of Grazing of the Department of the Interior, who recommends that the request be allowed.

The Minister, therefore, being of the opinion that the ranching industry should be encouraged, and

that it would be the most economical way of carrying on ranching operations in view of the location of the four ranches above mentioned, as shown on the plan attached hereto, recommends that the L.K. Ranch and Farming Company, Limited, be allowed to acquire the leases of Ranches Nos. 14730, 14731, and 14732 by assignment from Lachlin McKinnon, Charles H. McKinnon, and Donald J. McKinnon, respectively, and that a new lease be issued covering all of the lands comprising these three ranches and Ranch No. 14944, now held under lease by the said company, regardless of the fact that the area involved is more than 25,000 acres, provided all other requirements of the regulations are complied with.

The Committee concur in the foregoing recommendation and submit the same for approval.

(Signed) E. J. LEMAIRE,
Clerk of the Privy Council.

To the Honourable
The Minister of the Interior. 5538-oc4

P.C. No. 1715.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 19TH SEPTEMBER, 1928.

THE Committee of the Privy Council have had before them a report, dated 11th September, 1928, from the Minister of the Interior, submitting that clause 2 of the regulations governing grazing lands in the Provinces of Manitoba, Saskatchewan, Alberta, and in the Peace River Tract, in the Province of British Columbia, established by Order in Council of the 12th April, 1922, and subsequent Orders in Council, provides, in part, as follows: "No person or company shall acquire under lease under these regulations, by original grant or by assignment, more than 25,000 acres."

The Minister reports that Messrs. William Balcovske and Max Finkelstein, of Medicine Hat, Alberta, have made application to lease for grazing purposes, under the regulations above mentioned, that portion of Township 11, Range 13, lying east of the river; that portion of Township 11, Range 12, lying north of the river, excluding the North-west Quarter of Section 22; that portion of Township 12, Range 12, lying south and east of the river, excluding the West Half of Section 11; those portions of Section 1, South-east Quarter of Section 2, and South Half of Section 12, lying south and east of the river, Township 12, Range 13; that portion of Township 13, Range 12, lying north and east of the river, excluding the portion of the North-west Quarter of Section 5, which has been patented, all west of the 4th meridian, containing an area of approximately 48,500 acres. The said lands were recently revested in the Crown by the Canada Land and Irrigation Company, Limited, but for a number of years Messrs. Balcovske and Finkelstein held a grazing permit from the said company on the said lands and had become dependent users thereof.

The Minister further reports that the lands applied for, above mentioned, have been inspected by an officer of the Department, who reports that they are unfit for agricultural purposes; that Messrs. Balcovske and Finkelstein are established thereon, and recommends that they be granted a lease of the lands applied for, above mentioned.

The Minister, being of opinion that it would not be in the interests of the grazing industry to disturb Messrs. Balcovske and Finkelstein in their ranching operations, recommends that a lease for grazing purposes be issued in their favour, under the regulations above mentioned, covering the lands applied for, above mentioned, regardless of the fact that the area thereof is more than 25,000 acres, provided all other requirements of the regulations above mentioned are complied with.

The Committee concur in the foregoing recommendation and submit the same for approval.

(Signed) E. J. LEMAIRE,
Clerk of the Privy Council.

To the Honourable
The Minister of the Interior. 5539-oc4

MUNICIPAL BY-LAWS.

CORPORATION OF DELTA.

BY-LAW No. 116.

A By-law to provide for draining Parts of the Municipality of Delta, and for borrowing on the Credit of the Municipality the Sum of Eight Thousand Five Hundred and Fifty-seven Dollars and Sixty-nine Cents (\$8,557.69) for completing same.

Provisionally adopted the fifteenth day of September, 1928.

WHEREAS a majority in number and value of the electors, as shown by the last revised assessment roll, of the property hereinafter set forth to be benefited by the drainage of the said property have petitioned the Council of said Municipality of Delta, praying that an additional pump should be installed at the pump-house in East Delta, and that a pump which is now installed at District Lot 151, in said Municipality of Delta, be installed over the concrete flood-box in East Delta to assist in the drainage of that portion of the municipality:

And whereas thereupon the said Council procured an examination to be made by D. J. McGugan, a British Columbia land surveyor, being a person competent for such purpose, of the said locality proposed to be drained, and has also procured plans and estimates of the work to be made by the said D. J. McGugan, and an assessment to be made by him of the lands and roads to be benefited by such drainage, stating as nearly as he can the proportion of benefit which in his opinion will be derived in consequence of such drainage by every lot or portion of lot, the said assessment so made being the assessment hereinafter by this by-law enacted to be assessed and levied upon the lots and parts of lots hereinafter in that behalf specially set forth and described, and the report of the said D. J. McGugan in respect thereof and of the said drainage being as follows:—

August 30th, 1928.

The Reeve and Councillors of the
Municipality of Delta,
Ladner, B.C.

DEAR SIRS,—In accordance with your instructions, we beg to say that we have personal knowledge of the drainage requirements in that area which drains through the large flood-box in the big slough and have made an examination thereof.

We find that the drainage in this area is not as good as it should be and we would recommend that an additional pump should be installed at the pump-house. We would suggest that the pump, which is now installed at Mr. Mitchell's, in District Lot 151, be installed to assist the drainage in East Delta. We are confident that the benefits that will be derived from this extra pumping will far outweigh the costs of installing this pump.

Per D. J. McGUGAN.
